

## **CUSTOMER REQUIREMENT SHEET**

Customer Name	
Application Type	
Battery Chemistry*	Li-Ion / LFP
Battery Voltage*	
Capacity needed*	
Continuous Current*	
Peak Current*	
Operating Hours*	Continuous Current Duration – Peak Current Duration –
Temperature Range	_____ to _____
Battery Dimension (L x W x H)	
Battery Weight	
Battery Casing material*	
Power Interface Charge & Discharge	Same / Different
Communication*	SMBUS / CAN / Not Required
Quantity Required
